HISTORY/FACTS/ISSUES:

The Board of County Commissioners requested information regarding road signage in Sumter County. A report has been provided outlining the signs on C Roads, CR Roads and Roads within The Villages. On the first report labeled Sign Numbers, each sign type has been assigned a number and is listed on the Road Spreadsheets to identify what type of sign is on each road. The Sign spreadsheets list the sign number in the first row labeled sign, and the amount of each sign directly below in the second row labeled amount.

Please provide further direction on the road sign information if this information is not sufficient.
